

# Era - Snap locks-White,Brown & Brass

The ERA Snaplock can be used on most types of windows including casement, side hung or top hung. Closing the window locks the Snaplock automatically, the key is only required to unlock.

Available for both wooden and metal frames and in a variety of finishes.

The mechanism is designed to allow for any subsequent movement of the window frame. Plugs conceal and protect the fixing screws.

Manufactured from coated steel, ERA Snaplocks are designed to withstand years of use.

Cut keyed versions of the snaplock can be supplied with keys to pass.
