

Cast iron Disc sander 10"

The DS300 is a superbly built and heavy duty disc sander; a real workhorse that will provide years of reliable service in the workshop. Featuring a cast iron body, disc and table, this machine is more than capable of withstanding heavy sanding tasks. The powerful 1hp motor provides plenty of power and torque to easily handle large sections of timber and the dynamically balanced disc ensures smooth operation.

This machine is in a different league to other disc sanders. When seen in action, the build quality and performance speak for themselves.
