

# SikaBond Wood and Laminate Floor Cleaner

## Product Description

SikaBond® Wood & Laminate Floor Cleaner is a ready-to-use, spray-applied hard floor cleaner suitable for use on laminate, wood, ceramic, polished stone & vinyl floors, leaving a clean, smear-free surface with a pleasant odour. Easy to use, with no need for dilution, you can just spray and wipe.

## Benefits

Ready to use – no dilution required

No rinsing required – just spray and wipe

Fast acting

Safe and effective – will not harm glued joints, cleans without damaging treated wood or laminate floor.

Acid free

Leaves a pleasant scent.

## Areas For Use

Laminate and engineered wooden floors.

Glazed ceramic tiles.

Polished stone surfaces.

Vinyl flooring.

## Limitations

Always test a small inconspicuous area prior to full application.

Not suitable for use on untreated/waxed/oiled wood and waxed marble, copper brass, and black rubber

Do not over wet surfaces particularly across glued joints. Do not allow product to “pond” on surfaces.

Only use on floors where all joints have been completely sealed to prevent moisture/water from penetrating. Moisture can cause swelling and distortion.

Avoid splashes on paints, coloured surfaces and fabrics.

It is the user’s responsibility to determine suitability for use. If in doubt, please contact Technical Services Department for further advice.
