

Jedo Zenit Lever On Sq.rose Polished Chrome=

FRELAN ZENITH DOOR HANDLE ON ROSE - JV5002

The Zenith door handle has a slim but robust lever which sits on a square-shape sprung rose. A perfect handle for contemporary, minimalist design themes with sleek, sharp lines. Available in polished or satin chrome, this chrome door handle will match a variety of other chrome fittings and appliances in modern settings.

From the designer Mariani range by Frelan Hardware, this collection has high quality brass and zinc door handles that have been designed and manufactured in Italy to a high quality, the handles have a rich and designer look and feel. Matching Mariani fixings (escutcheons and turn and releases) available at More Handles.

The chrome lever on square rose is for use on internal, locking and bathroom doors. Internal doors need a standard lever set, for locking doors the lever set needs escutcheons. For bathroom doors, opt for a turn and release.

Supplied in PAIRS complete with square spindle bar and fixings.
