

Jedo Abbey Lever Lock Polished Chrome=

FRELAN JV670 ABBEY DOOR HANDLE ON BACKPLATE

The Abbey Door Handle on Backplate JV670 from Frelan Hardware is a chrome door handle on backplate that has a modern and minimalist design with a contemporary rectangular backplate with radius edges and a quality sprung lever.

There are three handle options to choose from; latch, lock (standard UK) or bathroom. The lever latch option is for use on non-locking doors and features a simple, plain backplate. The lock option is for doors that lock with a key and features a keyhole cut out on the backplate and the bathroom option has a turn and release on the backplate for privacy.

Supplied in PAIRS complete with spindle and screws.
