

Jedo Sicily Latch Furniture Polished Chrome=

The Sicily door handle on back-plate is a designer chrome door handle, part of Frelan Hardware's large Jedo collection of lever handles on backplate, this range is manufactured using zinc or brass with a variety of finishes in a selection of classic or stunning modern designs. This chrome door handle has three handle options to choose from; latch, lock (standard UK) or bathroom. The lever latch option is for use on non-locking doors and features a simple, plain backplate. The lock option is for doors that lock with a key and features a keyhole cut out on the backplate and the bathroom option has a turn and release on the backplate for privacy. Supplied in PAIRS complete with spindle and screws
