

Pull Handle - Chatsworth - Polished chrome

A very simple and versatile pull handle which is thicker in the centre of the handle for easy, comfortable grip and sits on a rectangular shaped backplate with counter-sunk holes for easy fitting, from Frelan Hardware. The 320mm backplate has 4 fixing holes, while the 380mm 6 fixing holes, for an additionally secure fix.

The classic design is available in traditional polished brass or a modern polished or satin chrome finish, which make this beautiful pull handle on backplate perfect for both classic and contemporary interiors.

Supplied in SINGLES complete with fixings.
