JH7020 FRELAN FLOWER-OCTAGONAL GLASS MORTICE DOOR KNOB
UNSPRUNG

This octagonal shaped glass mortice knob is manufactured from high quality optical-grade glass and issued here in a clear colour with a flower like design.

Part of Frelan Hardware's new range of glass furniture which offers a huge selection of styles, colours and designs.

These glass door knobs combine the classic design of glass knobs with a contemporary twist of fresh metallic finishes on the rose. Mounted on a polished or satin nickel rose, these fresh metallic finishes will add to the sparkle of the glass door knob. The rose is fixed to the knob and hides the fixing plate.

These mortice door knobs are unsprung and so should be fitted with a double sprung latch - see links below.
