

Chuck Exert

Excerts are for use on lathes where the spindle thread is larger than the thread in the chuck body.

*** These do add length to the lathe spindle as they can not fit within the body of the chuck ***

Price

1 3/8" x 6 EXW (Product reference 6516-10912)	£51.59
1 1/2" x 8 EXH (Product reference 6516-10913)	£51.69
