

Hardwax Cleaning Maintenance Floor Cleaning Kit-

Wood Floor Cleaning Kit

Item No. 1193

Contains: 1 x microfibre mop and handle, 1 x Spray On Floor Care 1L and full easy to follow instruction sheet

Our microfibre mop can be used dry which reduces the risk of damaging wooden floors with too much water. Once mopping is complete, simply remove the mop pad and clean in a washing machine. Our microfibre mop pads can be washed hundreds of times before they need to be replaced. Treatex Wood Floor Cleaning Kit also contains 1 litre of Treatex Spray On Floor Care which is designed to quickly clean and maintain floors finished with Treatex Hardwax Oil without making the surface slippery
