### Additional information

The Tudor lever lock handle sets are unique in that each handle is individually forged in steel on the anvil.

The handles are sprung and therefore will work with a multitude of locks, old or new.

All our handle sets are supplied with both traditional screws and bolt through fixings to suit your preference.

Sold as a set and supplied with necessary fixings.

Suitable for internal use only but can be used externally if fitted in a protected area like a porch. Maintenance instructions must be followed to preserve the finish of your product.

Finished in Beeswax
