Thickness: 3mm

Cover Thickness: 10mm

Additional information

Our vast range of escutcheons are designed as a finishing touch for all locking doors and are used to decorate key holes.

Ebonised to have a rich, dark hue, a very high density and fine texture which gives a very smooth finish.

Our escutcheons complement all of our mortice knob and lever on rose designs.

This escutcheon uses a standard key hole so can be used with a multitude of locks.

Supplied with matching wood screws.
