Additional information

Our extensive selection of door knockers suit a variety of doors from timber, composite, upvc and aluminium offering both traditional and contemporary designs.

Our external beeswax is unique to "From the Anvil" and is manufactured from an anti-corrosive beeswax which is salt tested to 480 hours. It has a matt richness and similarly to our standard beeswax the depth of colour ranges from blue to deep red ochre.

This pear door knocker shows a true masterpiece of forging. Drawn from one piece of mild steel bar and bent to form the twisted pear shape, this highlights every hammer blow by our highly skilled blacksmiths.

Surface fixed to the front of your door.

Supplied with matching wood screws.
