Additional information

The reeded set is part of the period range of sprung lever handles. A classic regency lever with a stylish reeded end that will suit both traditional and contemporary settings.

Our weighty reeded lever handle range is forged from solid brass. The reeded part of the handle highlights all of the hand finishing that is carried out in our factory. A perfect design choice to use throughout your property with many other matching products available.

The unlacquered brass achieves a timeless elegance, highly polished on all surface areas but aged to highlight the detail and design. This will tarnish in time as part of the ageing process but can be polished time and time again if a natural sheen is desired.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for internal and external doors where locking is required.

Set includes 2 lever lock handles.

Can be used with a 5 lever sash lock BS.
