## Additional information

The newbury set is part of the period range of sprung lever handles. The simple and slender design fits well into many different property types.

Our weighty newbury lever handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

A highly polished finish with a nickel plating applied to solid brass which is salt tested to 480 hours. Similar to a polished chrome finish but with much warmer tones.

This handle has a strong spring incorporated into the stylish boss design to give both functionality & elegance.

Lever handle for internal and external doors where locking is either required or not required.

Set includes 2 lever on rose handles.

Can be used with a multitude of standard locks, euro locks, latches, escutcheons & thumbturns for various uses within the home.

Supplied with matching SS bolt through fixings & SS wood screws.
