Additional information

Our elegant collection of centre door knobs suit all applications from a country cottage, town house or high street shop.

Our art deco range is forged from solid bronze which emphasises the high quality materials and manufacturing techniques used. A perfect design choice for external doors with matching products available.

This finish is manufactured from solid unlacquered bronze containing a minimum of 85% copper. Our Polished Bronze finish is matt and rich due to the finishing process we use to age the metal, this process initially darkens the material, however the finish will gradually oxidize over time revealing the warmer copper undertones. This finish has been salt tested to 480 hours.

Designed to match our art deco door knocker to create a uniform feeling on your front door.

Our centre door knobs also include a location pin on the rose to stop any unwanted movement during the life of your product.

Supplied with M8 x 110mm stainless steel threaded bolt for bolt-through fixing.
