Additional information

Our vast range of escutcheons are designed as a finishing touch for all locking doors and are used to decorate key holes.

Our external beeswax is unique to "From the Anvil" and is manufactured from an anti-corrosive beeswax which is salt tested to 480 hours. It has a matt richness and similarly to our standard beeswax the depth of colour ranges from blue to deep red ochre.

Our escutcheons complement all of our mortice knob and lever on rose designs.

This escutcheon is used with a euro profile lock in conjunction with a euro cylinder.

Supplied with matching wood screws.
