

32mm Titanium coated blade, PURPLE series

Toothed section = 32mm

Maximum depth of cut = 52mm

Purple Series SMART blades are designed to give the very best, all round, long-life cut.

A high grade Titanium coating reduces the heat build up and protects the blade when cutting through nails, copper pipes, even screws with the sharpness of the teeth maintained for longer.

Able to cut tougher metal than any other Bi-Metal blade and also continue cutting timber, clean and fast, as you have not burnt out the teeth cutting through the nails/screws!

Suitable for:

Timber with nails, Stainless steel screws, Gypsum Board, Fibreglass, Window putty, Plastics, Non-ferrous metals e.g; copper and aluminium
