

# Alpha Grip Solvent Based Grab Adhesive

ALPHA GRIP is a high quality, multi-purpose, fast bonding grab adhesive also ideal for gap filling. This solvent based adhesive is the perfect replacement for mechanical fixings in a wide variety of applications whether internal or external with excellent creep and slump resistance. Ideal for fixing skirting boards, wall battens, gripper rods, laminates and much more, suitable for use on porous and rough substrates.

ALPHA GRIP truly is multi-purpose, working on a wide variety of building materials including aluminium, brick, steel, stone, concrete, wood, chipboard, plasterboard, tiles, PVCu cladding and building panels. It can be used in interior and exterior applications.

- \* Not suitable for areas subject to frequent water immersion.
- \* Not recommended for use on asphalt, bitumen or polystyrene.
- \* Not to be used as a mirror adhesive.
- \* Dusty or porous surfaces should be primed prior to application of adhesive.
- \* **EXTREMELY FLAMMABLE.** Store in accordance with flammable storage regulations. It is the users responsibility to ensure proper storage and disposal of the product.
