Additional information

The simple avon design is both contemporary and traditional, fitting into all settings. This four sided design is created by hand with a series of hammer blows.

Our black finish is baked in a high-temperature oven giving it a durable corrosion resistant finish which is salt tested to 480 hours.

Designed to fit casement windows and match the avon stays and door handles in the range.

Reversible design and includes mortice and hook plates for different fitting options.

The fastener has a locking mechanism by the way of a grub screw.

Suitable for use with weather-stripped windows.

Supplied with matching wood screws.
