Additional information

The simple avon design is both contemporary and traditional, fitting into all settings. This four sided design is created by hand with a series of hammer blows.

Our black finish is baked in a high-temperature oven giving it a durable corrosion resistant finish which is salt tested to 480 hours.

Designed to fit casement windows and match the avon stays and door handles in the range.

The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.

Reversible design and includes two keep plates for both left and right handed windows.

The fastener has a locking mechanism by the way of a grub screw.

Suitable for use with weather-stripped windows.

Supplied with matching wood screws.
