Handle Length: 132mm (overall: 152mm)

Fixing Plate: 63mm x 16mm

Keep Plate: 63mm x 14mm

Keep Projection: 23mm

Additional information

A classic Regency style handle designed to offer security whilst providing some ventilation. It is night venting and can therefore be locked in both the open and shut positions.

The design matches the Reeded stays and door handles in our range and is made from solid brass with a stylish reeded end.

Our polished Chrome finish achieves a contemporary take on a traditional handle, simple but a real classic. It will tarnish in time as part of the ageing process but can be polished time and time again if you want to achieve a more perfect finish.

The fastener has a locking mechanism by way of grub screw and comes supplied with two receiver or keep plates for both left and right handed windows.

Sold with key and fixing screws.

Suitable for use internally or externally. Maintenance instructions must be followed to preserve the finish of your product.

Finished in Polished Chrome
