Additional information

Our avon espagnolette fasteners suit both contemporary or traditional settings, offering all the benefits of a modern and secure configuration. Handforged from mild steel which enhances all hammer blows and fine detail during the making of this product.

Our black finish is baked in a high-temperature oven giving it a durable corrosion resistant finish which is salt tested to 480 hours.

Designed to fit any type of window, including uPVC and timber due to its slim fixing plate. Can be matched with the avon stays and door handles in the range.

The handle is cranked forwards to ensure this protrudes far enough from the window for ease of use.

The product is reversible so will work on both left and right handed windows

They have a 7mm² x 40mm spindle and can be locked by way of a grub screw.

Can be used with an espagnolette gearbox & window lock.

Supplied with matching M5 screws.
