

Contractor Range - Georgian Polished Bronze

The Contractor Range comprises a wide variety of classical plate styles. The plain raised plate design of the Victorian collection lends a clean and simple look which suits almost any interior. The Edwardian collection offers a stylish stepped edge - the raised plate answer to Elite Stepped Plate. Mayfair and Apollo Dual Finish use a polished metal stepped edge to beautifully frame the satin metal plate. Finally the Georgian and Adam collection boast an ornate rope edge and beaded edge design.
