

Karcher t200 t-racer patio cleaner

1 only available no lance

Two rotating flat jet nozzles - Good area performance – ideal for cleaning large areas.

Splash guard - Splash-free cleaning.

Integrated additional power nozzle - Easy to switch from the normal patio cleaning nozzles to the power nozzle using the foot switch.

Ideal for splash-free cleaning of corners and edges.

Special protection grid for cleaning gravel surfaces - A fine-meshed protection grid enables cleaning of gravel surfaces, e.g. in Japanese gardens.

Height adjustable - The pressure can be adapted to the cleaning task.

Need-based cleaning of sensitive and non-sensitive surfaces thanks to the adjustable nozzle clearance to the surface.

Handle - Easy cleaning of vertical surfaces.

Hovercraft effect - The surface cleaner hovers over the floor and guarantees easy cleaning.
