

Anvil 33119 - Black Narrow Lever Espag Lock Set

This narrow Espag set has a very nice 'twist' detail in the handle and is designed to be used with Multi Point Espag Locks and Euro Cylinders. The handle is not sprung which allows for the upward (locking) movement commonly associated with espagnolette systems and ideal for upvc doors.

Lever handle for external doors where multi-point locking is required.

Set includes an internal and external lever espag lock handle. For use with a multi-point lock or french door kit in conjunction with a euro cylinder.

Supplied with matching bolt through fixings.

Finish: Black

Backplate Size: 220mm x 30mm x 5mm

Handle Length: 118mm

Centres: 92mm

Fixing Centres: 123mm
