

Anvil 83634 - Ebony & Polished Nickel Beehive Mortice/Rim Knob Set

From The Anvil's classic beehive collection is one of their most popular ranges, liked for its simplistic qualities and symmetrical detailing.

Ebonised to have a rich, dark hue, a very high density and fine texture which gives a very smooth finish.

Can be matched with From The Anvil's beehive escutcheon if a locking door is desired.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses within the home.

The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.
