

Anvil 91456 - Polished Nickel Newbury Night Vent Locking Fastener

The newbury handle is part of the period range of window furniture. A simple subtle design that will suit any setting.

From The Anvil's weighty newbury window handle range is forged from solid brass which emphasises the high quality materials and manufacturing techniques used. A perfect design choice to use throughout your property with many other matching products available.

Designed to fit casement windows and match the newbury stays and door handles in the range. The handle is night venting and can be locked in the open position as well as the closed position allowing some ventilation.

Reversible design and includes two keep plates for both left and right handed windows. The fastener has a locking mechanism by the way of a grub screw.

Supplied with matching SS wood screws.
