

Anvil 92103 - Black Regency Night Vent Locking Fastener

From The Anvil's regency night-vent fastener is a smooth rounded design, offering a simplistic elegance to any property.

Designed to fit casement windows and match the regency stays and door handles in the range.

The handle is night venting and can be locked in two open positions as well as the closed position allowing some ventilation.

Reversible design and includes one keep plate for both left and right handed windows.

The fastener has a locking mechanism by the way of a grub screw.

Sold with matching wood screws.
