

Griptite 350ml Box of 12

PRODUCT DESCRIPTION

EVERBUILD® GRIPTITE® is a ready to use gap filling and panel adhesive based on a high bond strength synthetic rubber/resin mix in a solvent carrier. Adheres to most common surfaces inside and outside the home. Bonds to wood, plaster, plasterboard, carpet, carpet grippers, metal, glass, ceramics, brick, concrete, cork, uPVC and certain plastics.

USES

• Bonding dado rails, architrave and skirting

• Fixing parquet and cork flooring.

Fixing wall cladding direct to internal wall surfaces or timber battens.

•

• Fixing battens directly onto walls without fastenings.

Bonding carpet gripper systems to most floors without the need for nails or tacks.

•

• Bonding stair nosing to concrete or wooden stairs.

• Fixing polyester, wood, PVCu or metal thresholds.

Fixing nameplates, plastic boxes, decorative frames, wall sockets and junction boxes to most surfaces.

•

Securing aluminium or other skin panels to the framework or portable industrial buildings and caravans.
