

FFP3 Moulded Masks with Valve - Pack of 5

A medium to high protection moulded mask with a 360 degree full face soft band for optimum comfort, fit and breathing.

- FFP3 - Protects against medium to high levels of dust from home repair, woodworking, construction or water based mist
- 360 degree full face band for maximum performance
- Adjustable latex free elasticated straps for closer fit
- Polypropylene outer layer for a smooth comfortable lining without loose fibres
- Contoured design ensures compatibility with glasses / goggles
- Exhalation valve reduces heat and moisture build-up
