

842 Series Bowl Gouge - Fingernail Type

Bowl gouges with a fingernail grind. These have increased flexibility, allowing for "pull" cuts - avoiding catching the lathe bed. More of the cutter tip area can be used both for heavy profiling cuts and fine delicate shearing cuts. All are fitted with 14" handles and measure 23" overall.

*** By purchasing this product, you are confirming that you are AGED 18 or over and that the person receiving the delivery is also over 18. Please note that we do occasionally ask for proof of age. ***
