

Spindlemaster - 812

A unique addition to the spindle turners armoury.
 It can be used to plane, bead, cove and trim end grain.
 Easy to use and sharpen, the polished back bevel helps to produce a high quality finish.
 Capable of exceptional results on softer woods traditionally regarded as more difficult to work with.
 Supplied complete with illustrated instructions. Available in 1/2", 3/4" and 1" sizes with the 1/2" and 3/4" measuring 16 1/4" overall and the 1" coming in at 18".
 The 1" has a 12" handle and the others are fitted with 10" handles.
