

# Contractors Table Saw 01541

A robust, hard working, no nonsense saw. The heavy-duty table is completely galvanised for a longer life and is supplied with a rear table extension to cope with extra long lengths of wood. The cutting height is infinitely adjustable for added precision, with a blade tilt of up to 45°. Supplied with a sliding cross-cut table on bearings, with adjustable angle settings 0°-60°. The built-in wheels and handles make the unit easy to move around.
