

Ultra slim magnifying lamp XR

Combining the latest innovations in lighting design this illuminated magnifying lamp has a bright 28w Daylight™ light, a unique 17.5cm/7" XR™ lens and the new Free-Motion head-joint™. These new features make your lamp extremely easy to operate and reliable.

The Daylight™ energy saving tube ensures that you have plenty of comfortable daylight light to work with. Daylight's XR technology™ makes the lens 50% lighter, extra resistant and easy to clean, and the new head-joint guarantees you precise and smooth positioning of your lamp without constantly having to tighten the wing-nut. The lamp includes an electronic ballast so you can work longer in comfortable light and it has Daylight's Quick Lens Swap System™ so you can increase the magnification in seconds without any tools. Having no external springs allows this magnifying lamp to be wiped clean so not contaminating the working area.
