

IMPAKTOR bit holder with RING magnet

Impaktor holder to cushion extreme impulse peaks.

Special torsion effect from the double-torsion spring and equipped with a ring magnet to easily hold longer and heavier screws.

Ideal for above-head work, particularly suitable for use with impact drivers, the magnet can be retracted and in this way be disabled.

Impaktor technology ensures an above-average service life even under extreme conditions thanks to two coupled torsion zones that perform successively.

Fitted with retaining ring and ring magnet.

Price

IMPAKTOR bit holder with RING magnet - SINGLE (Product reference 3548-18576)	£12.96
IMPAKTOR bit holder with RING magnet - PAIR (Product reference 3548-18577)	£24.23
IMPAKTOR bit holder with RING magnet - PACK OF 3 (Product reference 3548-18578)	£35.57
