

C2 Tongue-Fix Flooring Screws Box 350

Classic C2 Screw T & G - ZYP SKU 35045C2TG Colour/Plating Zinc & Yellow Passivated Recess Type Torx Pack Type Tub 350 Size (Metric) 3.5 x 45 Size (Imp Equiv)6 x 1 3/4 Driver Bit Size T10

C2 Tongue-Fix Flooring Screws have been specifically designed for attaching tongue and groove floorboards to flooring joists. The C2 Tongue-Fix gives a secure fixture through the tongue without causing damage, allowing a flush fit with the next board. The C2 Tongue-Fix Flooring screw is sold in branded tubs and comes in an attractive CDU.
