

Gorilla Superglue - 15g

Its high strength and quick set-time make Gorilla Super Glue the go-to for a variety of household projects. Developed for long-lasting repairs in an instant, Gorilla Super Glue dries in 10–30 seconds and is reinforced with rubber for increased impact resistance. We call it Impact-Tough® because it stands up to wear and tear unlike any other instant glue. In addition to its high-performance formula, we've added an anti-clog cap with a metal pin inside to ensure an airtight seal for maximum reusability. It's Gorilla tough, every time.
