

823 Square end scraper

These Square End scrapers from Robert Sorby are particularly suitable for finishing convex and flat bottomed forms.

If required the user can modify the end profile to a specific shape.

Made from HSS steel they are fitted with ash handles with brass ferrules.

*** By purchasing this product, you are confirming that you are AGED 18 or over and that the person receiving the delivery is also over 18. Please note that we do occasionally ask for proof of age. ***
