MARCUS BLACK IRON HANWOOD DOOR HANDLE ON SQUARE ROSE FB5410

A simple black door handle on rose that has a simple design, with straight lever handle that sits on a square shaped rose. This black iron door handle is part of the latest smooth, black iron range from M. Marcus.

To meet modern design preferences M. Marcus have removed the deep surface indentations found in traditional black ironmongery. Leaving only the natural surface grains to create a rustic yet smoother contemporary appearance. These black iron door handles will complement traditional solid wooden and hollow flush doors.

All the black door handles in this collection are made from malleable iron, treated with zinc phosphating process and then powder coated that has unique UV protection added to the coating process making these handles a great choice for external use.

Supplied in PAIRS complete with stainless steel screws to avoid rusting
