

Paris Lock Lever - Polished chrome

FRELAN JV280 PARIS DOOR HANDLE

The JV280 Paris door handle on backplate from Frelan Hardware has a classic curved plate with a beveled edge that is available in non-locking lever latch, standard UK lock, Euro lock and bathroom locking versions. With a traditional curved lever handle.

This design can be mixed with many decorating styles as it comes in a range of finishes; antique bronze, polished brass and polished or satin chrome finishes to suit both contemporary and classic interiors. The quality is really excellent for the price.

Supplied in PAIRS complete with spindle and screws.

Backplate: 168 x 47mm
