

Jedo Sicily Lock Furniture Polished Chrome=

FRELAN JV399 SICILY DOOR HANDLE ON BACKPLATE

The Sicily door handle on back-plate is a designer chrome door handle, with a chunky curved lever.

Part of Frelan Hardware's large Jedo collection that is manufactured using zinc or brass with a variety of finishes in a selection of classic or stunning modern designs.

This chrome door handle has three handle options to choose from; The lever latch option is for use on non-locking doors and features a simple, plain backplate. The lock option is for doors that lock with a key and features a keyhole cut out on the backplate and the bathroom option has a turn and release on the backplate for privacy.

Supplied in PAIRS complete with spindle and screws.
