

# Ambassador range - Dimmer switches. Satin nickel

Dimmers allow for ultimate control to achieve optimum light levels and are often used in period and listed properties. These products are a much requested option for interiors of distinction.

Please note: these ranges require a MINIMUM 35mm depth metal back box and are secondary fix.

\*\* These items are MADE TO ORDER from component parts. If your order is urgent please contact us to clarify lead-in times. As they are made to order according to your selected options, any returns will incur a 30% re-stocking charge \*\*

Bespoke plate and switch arrangements are possible to order, please contact us with your requirements.
