

Mortice knob set - 57mm - Satin chrome

The Contract mushroom door knob is part of Frelan Hardware's new range of mortice knob furniture that has a variety of designs and materials helping to create a wide selection of style.

This is a contract, or budget door knob, so while the quality of the product is good, the finish will not as good as some of our quality stamped ranges.

These mortice door knobs have an unsprung design. If fitting as a mortice knob please ensure you have a double sprung latch to operate the knob.

Supplied in PAIRS complete with fixings.
