

Cabinet knob - Cylindrical - Polished chrome

This piece is made exclusively with Crystallized Swarovski Elements. The modern cylinder design is strikingly beautiful with faceted Swarovski Crystals on the Knob. These superb European manufactured door knobs really add a touch of class.

Founded by Daniel Swarovski after he was taught the skillful art of glass-cutting by his father, in 19th century Bohemia. The crystal-cutting operation moved to Austria and has become a world leader in crystal glass sculptures, couture, and adornments for interior designs.

Diameter - 50mm

Projection - 65mm
