

Pro Edge sharpening system - basic - 240v UK version

The Robert Sorby ProEdge offers effortlessly repeatable sharpening every time. Hugely versatile, this industrial strength machine is built to last and delivers astounding 'factory finish' results without fail. Perhaps the most simple to use sharpener on the market, this system replicates the industry standard of achieving a flat grind using the preferred method of belts over traditional grinding wheels. Sharpens bench, framing, carving and turning chisels, drill bits, plane irons, knives and garden tools.

In addition to the Robert Sorby Pro Edge machine the basic set includes:

Zirconium belt 60 grit

Aluminium oxide belt 120 grit
