

Turin - Lever on a rose - Bronze

Turin Contemporary Designer Door Handles on Round Rose Dark Bronze JV550DB (Pair)

Architectural quality handles from Frelan Hardware's Designer Jedo Range.

A lever handle in Dark Bronze on 50mm rose.

The finish is top quality and very contemporary. Dark Bronze is an applied finish and can vary in colour between products and batches. Our Dark Bronze ironmongery will also wear over time like brass.

Each pair of levers is supplied with a set of bolt through back to back fixings and a split spindle with grub screw fixing for secure fixing. The 50mm diameter sprung roses are two part threaded concealed fixing
