

Escutcheon - key - Dark bronze - Square

Dark Bronze Euro Profile Square Escutcheon Keyhole Cover 50mm JV4005EDB (each)
Architectural quality door accessories from Frelan Hardware's Designer Range.

A dark bronze concealed fixing 50mm escutcheon.
The finish is top quality and very contemporary.

Dark Bronze is an applied finish and can vary in colour between products and batches. Our Dark Bronze ironmongery will also wear over time like brass.

Each escutcheon is supplied with fixing screws.
