

# ANVIL 73113 Beeswax Straight Lever Lock Set -

Beeswax Straight Lever Lock Set

Product information

Backplate Size: 149mm x 39mm

Handle Length: 123mm

Centres: 57mm

Additional information

The Straight range of sprung lever handles has a very simple, square backplate which doesn't distract from the stylish round boss and distinctive, long angled handle.

The long handle gives a very comfortable grip for the user.

Suitable for internal use only and sold as a set.

Finished in Beeswax
