Additional information

Our classic beehive collection is one of our most popular ranges, liked for its simplistic qualities and symmetrical detailing.

Rosewood has a richly hued reddish colour with much darker veining.

Can be matched with our beehive escutcheon if a locking door is desired.

Can be used with a multitude of heavy duty locks, latches & thumbturns for various uses within the home.

The strength of the spring found in a heavy-duty lock/latch will ensure the knob returns to it's original position.

We recommend using a 3", 4" or 5" latch/lock.

Supplied with matching wood screws.
